By the Chief, Spectrum Enforcement Division, Enforcement Bureau:

1. In this Order, we adopt the attached Consent Decree entered into between the Enforcement Bureau (“Bureau”) and Airspan Networks (Israel), Ltd. (“Airspan”). The Consent Decree terminates an investigation by the Bureau against Airspan for possible violations of Section 302(b) of the Communications Act of 1934, as amended (“Act”),¹ and Sections 2.803, 2.925, and 15.407(h)(2) of the Commission’s Rules (“Rules”)² regarding the marketing and selling of unlicensed National Information Infrastructure (“U-NII”) devices.

2. The Bureau and Airspan have negotiated the terms of the Consent Decree that resolve this matter. A copy of the Consent Decree is attached hereto and incorporated by reference.

3. After reviewing the terms of the Consent Decree and evaluating the facts before us, we find that the public interest would be served by adopting the Consent Decree and terminating the investigation.

4. In the absence of material new evidence relating to this matter, we conclude that our investigation raises no substantial or material questions of fact as to whether Airspan possesses the basic qualifications, including those related to character, to hold or obtain any Commission license or authorization.

5. Accordingly, **IT IS ORDERED** that, pursuant to section 4(i) of the Communications Act of 1934, as amended,³ and sections 0.111 and 0.311 of the Commission’s Rules,⁴ the Consent Decree attached to this Order **IS ADOPTED**.

6. **IT IS FURTHER ORDERED** that the above-captioned investigation **IS TERMINATED**.

The Bureau further agrees that in the absence of new material evidence, the Bureau will not use the facts developed in this investigation through the Effective Date of the Consent Decree, or the existence of this Consent Decree, to institute, on its own motion, any new proceeding, formal or informal, or take any action on its own motion against Airspan concerning the matters that were the subject of the investigation. Finally, Airspan has distributed labels that comply with FCC rules to its customers for the MicroMAX and ProST 5.4 GHz TDD devices that were shipped to the United States without labels.

Airspan shall retain the right to challenge Commission interpretation of the Consent Decree or any terms contained herein. If either Party (or the United States on behalf of the Commission) brings a judicial action to enforce the terms of the Adopting Order, neither Airspan nor the Commission shall contest the validity of the Consent Decree or the Adopting Order, and Airspan shall waive any statutory right to a trial *de novo*. Airspan hereby agrees to waive any claims it may otherwise have under the Equal Access to Justice Act, 5 U.S.C. § 504 and 47 C.F.R. § 1.1501 *et seq.*, relating to the matters addressed in this Consent Decree.

11. **Invalidity.** In the event that this Consent Decree is rendered invalid by any court of competent jurisdiction, it shall become null and void and may not be used in any manner in any legal proceeding.

12. **Subsequent Rule or Order.** The Parties agree that if any provision of the Consent Decree conflicts with any subsequent rule or Order adopted by the Commission (except an Order specifically intended to revise the terms of this Consent Decree to which Airspan does not expressly consent) that provision will be superseded by such Commission rule or Order.

13. **Successors and Assigns.** Airspan agrees that the provisions of this Consent Decree shall be binding on its successors, assigns, and transferees.

14. **Final Settlement.** The Parties agree and acknowledge that this Consent Decree shall constitute a final settlement between the Parties. The Parties further agree that this Consent Decree does not constitute either an adjudication on the merits or a factual or legal finding or determination regarding any compliance or noncompliance with the requirements of the Act or the Commission’s Rules and Orders.
